

There is every reason to suppose that building material will

Continue to Advance In Price,

as it has advanced during the past year or two. We are firmly of the opinion that it has not reached the top, and

All building being done now is to be regarded as a safe and sure investment.

Let us persuade you to build and occupy a home of your own and thus assure yourself a degree of independence and satisfaction you cannot otherwise feel.

You Will be Surprised at Our

grown in the mountains, where it is high and dry. They are nice, sound and clean. You have not seen anything to equal them this year.

If you want good peas, come in and let us show you ours. Our peas would be cheap at double the price, compared with any you will find on the market this year.

Don't forget when you want anything, see us first. If we can't supply you, will advise you. We are the planters' friends. We will save you money, if you will let us.

DISAPPOINTED IN TAYLOR'S REFUSAL.

Republicans Now Think
He Should Be Forced
To Return.

Frankfort, Ky., Aug. 5.—Republicans over the State who are interested in Caleb Powers, the alleged Goebel murder conspirator, are said to be much disappointed over the refusal of W. S. Taylor, so quickly made, to accept the proposition of Commonwealth's Attorney Franklin of this judicial district, to come to Georgetown and go on to the witness stand under agreement to be allowed to return unmolested to the other side of the Ohio River after testifying. Some of them are going so far as to say, it is said, that Powers and his attorneys should join with the Commonwealth in asking Gov. Hanly, of Indiana, to honor a requisition from the Governor of Kentucky for the return of Taylor for the trial under the indictment returned against him at the time Powers was indicted by the Franklin county grand jury over seven years ago.

One of the stock arguments of the defendants apprehended in the Goebel murder cases has been that if Taylor and Finley, the former Secretary of State, could be put on the witness stand they would testify to matters that would go far to clear those on trial. It was even sought at one time to use the depositions of these fugitives. Now that Taylor has declined a proposition to come to court under guarantee that he would be returned without arrest to his haven in Indiana, Republicans who feel that Powers has been made to bear burdens that should have been shared by Taylor and Finley, are saying, so rumor here says, that both Taylor and Finley should be made to return to Kentucky for trial.

Helena, Ark., Aug. 5.—J. M. Scott, city editor of the Helena World, was found on the sidewalk Sunday morning at 2 o'clock. Two bullets had entered his head, and, although he lived a few hours after being found, he was unable to make a statement. So far there is no clew to the assassin.

J. M. Scott was a native of Columbia, Ky. He went to Helena six months ago to take the place of city editor of the World. He was well known in the Kentucky newspaper field.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps
Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Mrs. W. I. Bailey, living on East Greenville street, Madisonville, Ky., says: "It is four years since I recommended Doan's Kidney Pills through our papers, and my confidence in them during the time which has elapsed has not been shattered in the least, but to the contrary, I learned more about them and can recommend them even more strongly. I said at that time that Mr. Bailey had suffered with kidney complaint off and on for a number of years, and had used almost every known remedy for this trouble but nothing brought permanent results. He finally learned of Doan's Kidney Pills and got a box. They benefited him in every way, more so than all the other kidney medicines he had ever tried. He has used them many times during the past four years, and they have never failed to give him relief from these severe attacks. I have used Doan's Kidney Pills myself for a weakened condition of the kidneys and they proved just as satisfactory in my case. We both think there is no remedy like Doan's Kidney Pills."
